Mrs. J. O. Abernathy,
Lawrenceville, Va.

Dear Mrs. Abernathy:

I am herewith enclosing you a copy of the Collier genealogy.

It is possible that Vines Collier and Sarah Elizabeth Williamson were married in York County, as the Colliers moved from York County to Brunswick County.

I would appreciate greatly your looking up the Revolutionary records in Brunswick County of Vines Collier. I do not know just where to suggest that you look, but no doubt the county has a list of the Revolutionary soldiers, commissions, etc.

I would appreciate your further advice in regard to this.

Thanking you, I remain

Yours truly,

DCC:S

D. C. COLLIER.
